

SOUTHCOM Forward Operating Location (FOL) HATO International Airport, Curacao

Consistent with the spirit of the FOL Agreement between the Kingdom of the Netherlands and the United States, all parties that have a vested interest will faithfully execute our respective responsibilities to the successful completion of the FOL construction project. We shall remain committed to benefiting all participating parties and to maintain an atmosphere of *honesty and trust* among all members to achieve the following goals:

- Meet mission requirements and satisfy the country-to-country agreement
- Provide economic benefit to Curacao
- Minimize impacts to ongoing operations and provide a smooth transition to safeguard individual interests
- Finish on time, within budgets, safely, and with a quality product

We will achieve these goals by harnessing our:

- Professionalism
- Good faith
- Commitment to cooperate and understand our cultural diversity
